Need list from Stephanie for calls

Reposted details to Facebook and have added information to the TPPC website.

Other things:

1. On the handout, we need to make the facility layout smaller so we can add descriptions of each presentation.
2. Taylor is going to be making a volunteer sign up sheet (room monitors, sign in, etc.), so be on the lookout for that.
3. Taylor is also in charge of bringing print outs, a large printout for reference, and a photo backdrop that we can encourage out kids to take selfies in front of. Nichole is working on getting us set up with a snap filter. We are going to use the hashtag #centexAMA.
4. 4pm is around the time we would like volunteers showing up.
