Storage and Packing

Sponsors are responsible for storing and packing their booths and boxes. Booths must be disassembled immediately after Casino Night.

Exhibit/Booth Shipment

Vendors can ship packages directly to the hotel via USPS, UPS, FedEx, or freight shipping. The packages will need the vendor's name and Texas Public Pool Council clearly marked on the boxes. If a vendor uses a freight shipper, the hotel does not have a loading dock, so the shipper will have to unload the items directly into the hotel. The hotel does not have a way to move large pallets, so the vendor would be responsible for moving the large items. Items may be shipped to arrive at the hotel on January 18 and 19, 2021. The hotel will hold packages in the Sales Office. When you arrive you can ask the front desk associates and they will retrieve upon request. Vendors then can ship back out from the hotel. Each vendor will need all the proper shipping labels and will need to contact the appropriate shipping agency to schedule a pick up. **Items will not be stored following Casino night without shipping labels.**
